## QUARREL IS TOPIC FOR CITY COUNCIL

In Closed Session They Discuss  
Renewal of Dispute Between  
Police and Firemen

### CHIEF WILLIAMSON QUIT

Persuaded Last Week, However, to  
Remain Until Matters Could be  
Adjusted Satisfactorily

The city firemen and police department were the subject last night at an after meeting of the city council, following the regular session of the councilmen, and the final outcome of the session is not known as it was confidential and only the city councilmen took part in the affair.

It has developed that Joe Williamson, fire chief handed in his resignation last week to Mayor Irvin, to become effective at once, but the fire chief was persuaded to remain on the job until the difficulties existing between the two departments, he straightened out by the councilmen.

The meeting last night behind closed doors held the councilmen about forty minutes. Several months ago the police installed a blackboard in the fire station to register on, and as the firemen go to bed at 9:30, the subject came up at a previous council meeting, of giving the police a key to the downstairs part of the fire department.

This immediately brought forth a protest from the firemen, who stated that they were held responsible for the equipment and the police were not given a key to the door. It was then suggested that the blackboard be moved upstairs into the council chamber, but the firemen maintained that if it were moved, the police would have to clean the room, and keep quiet while in it as the firemen sleep in a room adjoining.

Recently a policeman took a bath at the headquarters of the firemen, and this brought up the subject again. The firemen maintain that it is their home, and the police have homes of their own, in which to take baths.

Then, leading up to the resignation of Chief Williamson, the firemen have attempted to keep the place around their headquarters presentable, but have complained about the police expectorating on the sidewalks. The firemen also deemed it necessary to have a sign painted and installed in the station, as follows: "No Swearing or Gambling."

The firemen have asked the police

## VISIT TOWNSHIPS TO STIR UP THE WORKERS

Captain J. A. Tench and Perry  
O'Neal Out Today in Interests  
of Home Service Campaign

### NOT OVER \$1,500 IS RAISED

Capt. J. A. Tench of the Salvation Army and Perry O'Neal, exalted ruler of the Elks lodge of this city, which is in charge of the Salvation Army Home Service appeal in this county, visited townships in the northern part of the county this afternoon to stir up the workers and make an effort to close the campaign.

At the opening of the appeal for funds to support the Salvation Army corps here for a year and make some local improvements, the Elks committee started out to raise \$5,000, but not more than \$1,000 has actually been reported as subscribed and according to the best reports available not more than \$1,500 at the most has been subscribed. The most of the money so far reported has been subscribed in the city of Rushville, but a number of team captains in the city have never reported although it is known that they have raised some money. The east half of Walker township is the only section outside of Rushville which has raised its quota and made a report.

## ROTARIANS TO HOLD PICNIC

Greensburg, Shelbyville, Franklin  
and Rushville To Enjoy Day

Rotarians of Greensburg, Shelbyville, Franklin and Rushville, and their families, will hold a picnic at Flatrock Cave, in Shelby county, Monday, June 28, during the afternoon and evening. The Greensburg Rotary club has made arrangements for the picnic and has invited the other three clubs.

Plans for the picnic were announced by Harry Hillbold, a member of the Greensburg club, at the weekly luncheon of the Rushville club yesterday, and a committee composed of Walter M. Pearce, Roy Waggener and Louis Mauzy, was appointed to make arrangements for the trip. Boating, swimming, fishing and dancing will be enjoyed.

## NO JUSTIFICATION FOR ASSAULT SEEN

Chief of Police Wilfong Attacks  
Homer Man With Mace After  
He Had Paid a Fine

### ARRESTED FOR DRUNKENNESS

Bystanders Say Rollin Clingman  
Wanted Police to Hire Man to  
Take Him Home

Rollin Clingman of Homer was arrested shortly before noon today on a charge of intoxication and was fined five dollars and costs, after which he was placed in jail to sober up, but before being placed in jail, he was brutally assaulted by Chief of Police Wilfong, while being taken to jail.

Clingman hails ice for the Homer community and this morning about 11:30 a clock ran into a wagon in West Third street, while coming to Rushville. The machine was slightly damaged, and the wagon had a wheel broken.

Clingman then stopped and remained in the truck for almost two hours, and in the meantime the police were called. He was taken before Mayor Irvin and entered a plea of guilty, a formality which has never been used here before.

Ordinarily when a man is drunk he is placed in jail and given time to sober and then arraigned before the mayor. After he paid the fine, the police decided that he belonged in jail, although Clingman earnestly requested that they get someone to drive the truck and take him home, and he would pay for it.

On the way to jail, Clingman continued to protest, as there had been no jail sentence imposed upon him and as he had paid the fine, he was of the opinion that he should be allowed his freedom.

He was not past the walking stage, but was incapable of driving an automobile, according to those who saw the affair, and when he hesitated in Third street, near Main, the police chief attacked him with a mace, cutting several gashes in his head.

The sight, which was witnessed by many business men and women, was most repulsive and this afternoon the common talk on the street was the uncalled for assault made by the chief. Will Havens, street commissioner, was also along, and bystanders could not see why two able bodied men couldn't handle a drunk man without using undue violence.

A four year old grandson was on the truck with Mr. Clingman, and he was taken to his home by a neighbor of that vicinity, who also offered to take Mr. Clingman home.

Clingman was released from jail this afternoon when several men from Homer came up and took him home.

### DEMMEYER CHILD'S FUNERAL

Funeral services for Margaret Mary Demmeyer, age four, daughter of Mr. and Mrs. Joe Demmeyer, formerly of this city, who died in Indianapolis yesterday, will be held Thursday morning at nine o'clock at Holy Angels church in Indianapolis, preceded by short services at the residence at 8:30. Interment will be in Holy Cross cemetery.

## DEMOCRATS FACE IRISH QUESTION

"Vexer" For National Convention at  
San Francisco Will be "Freedom  
of Ireland" Plank

### MARSHALL IS AGAINST IT

Vice President Also Says He Will  
Oppose Attempt to Raise the  
Liquor Question

(By United Press.)

San Francisco, June 16.—Another "vexer" for the democratic national convention cropped out here today with the announcement that there will be a battle for the "freedom of Ireland."

Committeemen Charles Boeshen of Illinois was authority for the statement that the Illinois delegation would contend for such a plank.

"We have been freeing Ireland for thirty years in Illinois," he said. "Our delegates will fight here to give Ireland anything she wants."

Vice President Marshall will throw his influence against any attempt to raise the liquor question and Irish question at the convention, he told the United Press today.

He will represent Indiana on the resolutions committee, it was believed.

Marshall declared that he will urge no action be taken on the eighteenth amendment.

The Irish question, he said, "is none of America's business."

Marshall said he would support the enforcement of the prohibition law. He also let it be known that he was not a candidate for the democratic presidential nomination and said he did not want it.

The vice-president refused to comment on the nomination of Senator Harding, and Governor Coolidge, candidates on the republican ticket for president and vice-president.

It is understood however that he sent the following telegram to Governor Coolidge:

"You have my sincere sympathy."

## BANKERS MEET AT MAGNESIA SPRINGS

Most of Rush County Banks Will  
be Represented at Annual Session  
of Group Six

### SPEECHES IN THE PROGRAM

A number of Rushville bankers and others from the county will attend the eleventh annual meeting of Group Six of the Indiana Bankers association at Magnesia Springs, near Brookville, Thursday.

Chief among the addresses will be one on the subject, "The Blue Sky Situation," by H. F. Clippinger, manager of the bond department of the Fletcher Savings and Trust company of Indianapolis. R. W. Aikin of Sullivan, president of the Indiana association, will speak, and Andrew Smith, secretary, will discuss the activities of the association. The discussions at the end of the program will deal with the advantages of county organizations of bankers and the question of how banks can make a profit by handling bond issues.

Charles W. Culbertson, president of the First National bank of Shelbyville, will preside during the program which will be given following the dinner. The address of welcome will be given by W. H. Senour, president of the Franklin County National bank, and the response will be made by Walter W. Bonner, cashier of the Third National bank, Greensburg. The visitors will register at the Brookville court house at 10 a. m. and then be taken to Magnesia Springs.

### NEW COURT CONDEMNED

Montreal, June 16.—The Kansas industrial court was condemned "as a machine for confiscation of Liberty" in a resolution unanimously adopted here today at the annual convention of the American Federation of Labor.

## APPEARS BEFORE ROAD COMMISSION

Delegation of Rushville Citizens  
Urge Brookville Road Be Placed  
on State Highway System.

### BEING CONSIDERED TODAY

Repeated Efforts of Good Roads  
Boosters to Get an Audience  
Finally Get Results.

A delegation of Rushville citizens went to Indianapolis this morning to appear before the state highway commission at ten o'clock in the interests of the Brookville road, which has been considered by the state board for some time as a part of the state highway system.

It was definitely announced that the road, together with three others, would be taken up today and a definite decision reached. When they inspected the road, which leads from Indianapolis to Brookville, by way of Rushville, several members of the commission a few weeks ago said in effect that the highway would be taken over by the commission.

In view of the favorable attitude of the highway commissioners, local good roads boosters felt that they should be represented before the state board today to show them that the interest of local citizens in seeing the road granted had not lagged since the agitation started last March.

The movement to have the highway taken over was begun after the Rush county board of commissioners had practically completed arrangements to pave the west road from here to the Rush-Shelby county line with cement under the county unit law.

Many Rushville men thought it would be unwise for the county to spend such a large sum for a permanent road if the state would make it a part of the Indiana highway system and maintain it. Eventually, it will be improved permanently, if the state decides to take it over.

The commissioners were consulted about postponing the paving of the highway pending further interviews with the state commission to determine whether or not the road would not be taken over. They at first were very dubious about getting any action out of the state road commission because they had already talked with the state commission and had received very little satisfaction. They also doubted if the state commission would act favorably on the request because a north and south road through Rushville had been made a part of the state system.

However, the commissioners consented to hold up the paving of the west road, the contract for which was to have been let last month, until the state commission was given an opportunity to act on the local request. Since that time wide awake citizens of the towns and cities all along the Brookville road have been conducting a campaign to interest the state commission in the highway. The fact that the road is paved from here for a distance of about four miles south was one of the things which influenced the commission in favor of the road.

## PHYSICIANS ENTERTAINED

Rush County Medical Association  
Guests of Dr. Barnett

The Rush County Medical Association was entertained last night at the home of Dr. D. E. Barnett in Homer, and many physicians were in attendance, the eight o'clock banquet given by Dr. Barnett being the feature of the evening. The medical association holds monthly meetings and the affair last night was a special meeting, being purely social gathering, and no business was transacted.

The following physicians were present: Drs. John Lee, J. T. Paxton, Lowell Green, Cullen Sexton, J. C. Sexton and Will C. Smith of Rushville, Dr. Humes of Milroy, Dr. Findlay of Arlington and Dr. Emerson Barnum of Manilla.

## POSES AS 'DIVINE HEALER'

William Ryon Charged With Prac-  
ticing Without License

William Ryon was found guilty this afternoon in Squire Stech's court of provoke of Fred Huber, and was fined a dollar and costs, an appeal being taken to the circuit court.

Ryon was also arraigned this afternoon on a charge of practicing medicine without a license, and will go on trial tomorrow afternoon on that charge. It is said that Ryon claims to be a "divine healer," and secured \$15 from J. W. Kirkpatrick of West Ninth street, for an alleged attempt to cure him of a disease. Ryon last night pleaded not guilty to the charge of carrying concealed weapons, and this trial has not been set. John Ferguson is on Ryon's appeal bond and his two appearance bonds in the squire's court.

### TWO OF THEM IN HENRY CO.

Old Fashioned Picnic Dinner Enjoy-  
ed on Floyd Williams Farm in  
Center Township

About twenty automobiles took part yesterday in the tour of the hog raising farms in Rush county, the tour being sponsored by the Rush County Big Type Poland China association, and the schedule of several well known farms was completed late yesterday afternoon.

The tour began with the assembling and inspection of the farm of Carroll Williams, near Carthage, and moved on to the Everett Button farm in Henry county. The delegation there was joined by a few Henry county farmers.

D. D. Ball, county agent and I. B. Morgan, a noted hog raiser, and T. A. Coleman, was with the tour, and speeches were made all along the way. A general discussion was held at noon, when a long recess was taken for dinner.

The machines all carried basket dinners, and an old fashioned picnic took place at noon on the Floyd Williams farm in Center township. At this hour the farm was also inspected.

In the afternoon the excursion moved south, stopping at Glen Kirkham's and Earl Oneal's farm, north of Mays, and the N. P. Jones farm in Jackson township. The farm of John C. Frazier south of Rushville was also visited.

At each place the herds were examined and the management of the farms thoroughly gone into, so that the hog raisers would benefit by the experience of some of the larger growers.

Today four field demonstrations were held in the county under the direction of County Agent Ball to inspect fields sown with wheat treated with the hot water method. F. J. Pipal, one of the leaders of the wheat disease control work in this state, attended the demonstrations and explained the methods of controlling wheat diseases. The demonstrations were held on the Elmer Hutchinson farm in Posey township, the Elmer Porter farm in Jackson township, the F. J. Fwbank farm northeast of Rushville and the Miller farm in Walker township.

### TWO MORE PLEAD GUILTY

Indianapolis, Ind., June 16.—Two more defendants in the Evansville "whiskey ring" pleaded guilty in federal court here today and two more were discharged by Judge Anderson, leaving fourteen defendants on trial out of the 78 named in the conspiracy indictments.

Those who pleaded guilty were John Heyns, secretary of the Vendome Hotel Company at Evansville and John Barnes, a boatman who hauled whiskey from Henderson, Ky., to Evansville in a launch.

Herman Kennedy, Former City Fire-  
man, to Bring Action Under  
Compensation Law

### INJURED IN THE CLARK FIRE

Subject of Raising Water Rates  
Again Before Council—Coal  
Now Costs \$6.15 a Ton

The city council held a lengthy meeting last night, in which only the usual business came before them and after the meeting, a private session was held to talk over other matters.

The petition of the Peoples Natural Gas Company, filed on May 3 in Indianapolis, was presented to the council, and raised a discussion as to whether or not the raise was justifiable. It will be recalled that the gas company asks for an increase of from 40 cents to 75 cents a thousand cubic feet.

Herman Kennedy filed a petition with the council giving notice of an action which, he intends to bring against the City of Rushville under the workmen's compensation law.

Kennedy was employed as a fireman and was injured in the fire, in January when the C. G. Clark and Sons mill was destroyed. After the injury, he maintains that he contracted tuberculosis due to exposure and to the injury sustained while performing his duty as fireman. The councilmen set aside his petition.

Street Commissioner Havens reported that the brick streets were expanding in several places, and at the corner of First and Harrison, had exploded yesterday. He wanted the council to purchase a quantity of expansion joints, so as to repair the streets.

The street commissioner also reported that McFarland street in the west part of the city, had been opened up, as requested at a former meeting of the council.

The council also bought a bicycle for the police department, paying \$25 for it. Councilman Lee brought up the subject of high weeds, and instructed the owner of a big lot in the west part of Rushville, compelling them to cut the weeds.

Sam Finney and other residents living near Eleventh and Willow streets, appeared before the council asking that something be done in connection with water standing on the paved street in that part of the city. Action has been up before regarding this drain, and the council told the committee that they were working on it.

The subject of raising the water

## EVIDENCE TAKEN UNDER ADVISEMENT

Judge Sparks Hears Action For  
Support Money and Custody of  
Children in Miller Case

### DAMAGE SUIT TO GREENSBURG

With Judge Sparks in Connersville on court business, nothing was done here today, and as the May term draws to a close in a few weeks, it is probable that court activities will not be resumed until next fall, after the summer vacation.

Evidence was heard late yesterday in the support action and for custody of three children, in the pending divorce case of Ruby Miller against Herschell Miller. The divorce case was filed about a week ago, and the evidence yesterday was taken under advisement.

Judge Sparks granted the defendants, Samuel Colter and Edgar Archey, a change of venue to Decatur county in the case filed recently by Alonzo Innis and Hubert Innis. The action is for \$2,000 damage, in which it is alleged that the defendants sold diseased hogs at a public sale, representing them to be immune from cholera. A similar case was heard here last winter, in which judgment was found against the two defendants.

WHOLE CITY IS AROUSED  
OVER BIG SCANDAL HERE

Rushville gossips are wagging their heads over a choice bit of gossip that has been going the rounds of late. It seems that a certain young man of his community has taken unto himself four wives. Not only this but in order to secure the four he has appropriated the consort of some other married men. What makes the affair the more incredible is that the young man in question was never suspected until recently of having even one wife. Having become one of the popular society men of Rushville since he came to this city, it is small wonder that the affair is causing so much stir. For various reasons no names will be mentioned, but those who so desire to satisfy a natural curiosity to learn more about the matter by attending Katch-Koo on July 1 and 2 at the Graham Annex.

A representative from the state fire marshal's office spent several days here, and made a lengthy report of the conditions, in which it is said that he criticized the police in their actions and conduct around the fire station. Chief Williamson, the congenial and capable chief, is still on the job, and will likely remain there. If a shake-up comes, it is expected that he will be in another department.

The coal situation is as serious now as it ever was, even during the restricted time last winter. He was advised to keep a three weeks supply on hand, even if the price was higher than it is usually the custom to pay for the coal used.

NOTICE TO ROAD CONTRACTORS

State of Indiana, Shelby and Rush Counties, ss:  
Notice is hereby given that the Board of Commissioners of Shelby and Rush Counties, at the office of the Auditor of Shelby County in the court house at Shelbyville, Indiana, will receive sealed proposals for the improvement of a certain highway, 2.1885 feet in length, on the County Line between the Counties of Shelby and Rush, by grading, draining and paving with stone as set out in the specifications, plans and profile now on file in each of the auditor's offices of said counties, and by and under the laws of the State of Indiana.

Said sealed proposals will be received for said improvement on THURSDAY, the 8th DAY of JULY, 1920, up to the hour of 2 p. m. on said day. The said road to be improved is located on the Joseph Redenbough Road when so improved.

Each bid shall be accompanied by a personal or surety bond in a sum equal to double the amount of the bid, for the work bid on, to be approved by the Boards of Commissioners of said counties. Said improvement will be let as a whole to the lowest responsible bidder and the time for the completion of said work will be agreed upon after letting of said contract by said Boards of Commissioners and successful bidder. The Boards reserve the right to reject any and all bids.

Given by order of the Boards of Commissioners of Shelby and Rush Counties.

AMUSEMENTS

Plays a Duel Role Tonight

"The Shadow of Rosalie Byrnes," the latest of the Selznick pictures starring Elaine Hammerstein, will be seen at the Princess tonight.

In this picture Miss Hammerstein plays two parts, one that of a charming, womanly heroine, the sort that the public has come to feel no one can portray quite so well as Miss Hammerstein—and the other her twin sister, an unscrupulous and flashy actress.

Both parts call for emotional ability of a high order, and the double demands made on Miss Hammerstein using the filming of the picture are said to have been most exacting.

Among the other important members of the cast are: Edward Langford, who plays opposite Miss Hammerstein; Anita Booth; Alfred Hickman; Fanny Cogan; George Cowie; Lilian Wiggins and Juliette Benson.

HAD RHEUMATISM

Gas City man crippled up in his joints, muscles sore and drawn; his suffering was terrible. Dreco went to the bottom of his trouble, giving prompt relief.

"I was in such bad shape from rheumatism that I had to stop work about November 1st and laid off for two solid months, unable to go back on the job," says Mr. Lewis Long, who resides on West Main Street, Gas City, Ind.  
"The rheumatism was all over my body, in every joint and muscle, I believe. My muscles were sore and hard and felt like they were drawn up. My joints ached and seemed like they were dry; every move caused intense pain and I couldn't sleep from the suffering.  
"I was in such bad shape that something had to be done, so I began taking Dreco, as it was spoken of so highly. I want these words published for the benefit of other sufferers. After being away from work two months, two bottles of Dreco did me so much good that I am again on the job every day, and my rheumatism is gone. I am getting a bottle of this grand medicine to take to a friend, who is in bad shape with rheumatism, and I feel sure it will overcome his troubles, just as it did mine."  
Dreco is made from roots and herbs, which seem to drive out all traces of rheumatism. When the kidneys fail to strain the poisons from the blood, but remain in this vital fluid, rheumatism soon shows up and the patient suffers untold agonies. Dreco aids weak kidneys in eliminating these poisons, and that is why Dreco results are quick and lasting.  
All good druggists now sell Dreco and it is being specially introduced here by

Keep Your Liberty Bond

The United States Government borrowed money from you to finance the War. You hold the Government's promise to pay you back. This promise is called a Liberty Bond of Victory Note. On this Bond is stated the conditions under which the Government borrowed the money from you.

For instance: If you hold a Bond of the Third Liberty Loan, it states that on April 15th and October 15th of each year until maturity, you will receive interest on the amount you paid for the Bond. Other issues bear other rates of interest and other maturity dates, all of which are clearly stated on the Bond.

Now, if you keep your Bond until the date when the Government pays you in full for it, you do not need to worry if, in the meantime, the price is low one day or high the next. You and Uncle Sam are living up to your agreement with each other, and neither will lose by it.

On the other hand, if you sell your Liberty Bond now, you will find that the man you sell it to will not give you a dollar for every dollar you paid for it. The price has been brought down because so many people are offering to sell their Bonds. If the market is flooded with tomatoes, you can buy them cheap, but if everyone is clamoring for tomatoes and there are few to be had, the price goes up. The same is true of Liberty Bonds. Short-sighted people are dumping them on the market, and wise ones are buying them.

The best advice that can be given to the owner of a Liberty Bond is this: Hold the bond you bought during the war; it is as safe and sound as the United States Government itself.

Buy as many more at the present low rate as you can afford. If you hold them to maturity, you are bound to make the difference between what they sell at now and their face value. You will also receive interest in your investment. Hold on to your Liberty Bonds and buy more.

Not all people are endowed with brains. A few have only common sense.

It is quite unnecessary to remind the average pretty girl of her beauty. She knows it.

There is one time when procrastination becomes a virtue—in the payment of a grudge.

Many of the virtues we admire are beyond us.

Politics is an arrangement to make it difficult to do anything.

In order to be successful you often have to like people you dislike, or dislike people you like.

Our Daily Laugh

New and Bright Yarns That Will Tickle You and Will Be Relished by Your Friends When You Repeat Them.

Postmaster G. P. Hunt saved a crowd of Rushville men attending the national Uniform Rank, Knights of Pythias, meeting at Boston a few years ago, from riding home on the bumpers, by his resourcefulness.

According to the story, Postmaster Hunt was the only man in the party with any surplus cash, and it was in the form of a good-sized draft which, of course had to be cashed. Ed Muire was one of the fellows who had been overtaken by misfortune because someone had stolen his return trip railroad ticket.

The crowd started to make the rounds of the Boston banks to cash the draft. They were not very down-hearted when they were turned down the first time, but when the performance was repeated at every bank they visited, they were a crest-fallen lot. They used the influence of the Knights of Pythias, Masonry and every other fraternal order to which any member of the party belonged—all to no avail.

Finally, when they had come to the last bank, Postmaster Hunt had a happy idea. He told the cashier that while in the Spanish-American war, he had had his initials tattooed on his left arm.

"Let me see it," said the cashier. They say that "Ges" got his coat off quicker than it takes time to tell it.

"That is satisfactory," said the banker, and there was a relieved bunch from Rushville, Ind.

CASH PRIZE OFFER: A prize of one dollar to all contributors of a joke to OUR DAILY LAUGH which we accept. Only jokes that have never been published before will be considered. Contributions will not be returned unless a stamped envelope, bearing your name and address, is enclosed. Mail stories to Contest Editor, Daily Republican, Rushville, Ind.

KNIGHT TEMPLAR MEETING

Rushville Commandery No. 40 K. T. will confer the Temple degree Thursday evening at 7:30. Sir Knights are requested to be present.

"HAD TO GET HELP QUICK" HE SAYS

"Tanlac Proved to be the Thing I Needed and I Couldn't Ask For Better Health"

"By the help of Tanlac I have regained my lost health, and today I am in as good condition physically as any one could wish to be," said Wade Hammer, 302 East Wenger street, South Bend, Ind.

"About the time I was sixteen years old, twenty-one years ago," he continued, "I had an attack of measles, and since that time my kidneys have worried me a great deal. Now and then, for all these years, I suffered with a dull pain across the small of my back and in my hips. If I did any heavy lifting or strained myself in any way, the pain would get so bad I could hardly stand it. I kept getting worse, until last spring I began suffering terribly with severe shooting pains up and down my sides and back, through my shoulders and all across my hips. Then, too, there was always a heavy feeling like lead in the pit of my stomach, my liver seemed to be sluggish, and I always had a bad taste in my mouth. I was badly constipated, had severe throbbing headaches and often became so dizzy I could hardly stand up. In fact, I was in misery all the time, day and night, and could not do anything like as much work as I had formerly been able to do."

"Finally, I got in such a bad fix I knew I had to get something to help me mighty quick or get down flat on my back in bed. I had heard so much about Tanlac I decided to try it, and it turned out to be the very thing I needed. I had taken only a few doses when I commenced to get better, and in a short while I was free of all pain and my stomach and liver were in good condition, and I have been in the best of health ever since. Tanlac is certainly a grand medicine, and through the benefits I have received from it I am working every day without a particle of trouble, while before taking it I just had to force myself to work. I will always have a good word for Tanlac."

Tanlac is sold in Rushville by F. B. Johnson Co., in Milroy by Dallas Copper, in Manila by Geo. J. Inlow, in Arlington by Mrs. L. T. Davis, and in Carthage by Otto G. McCarty. (Adv.)

**HOW MUCH MONEY DO YOU CARRY IN YOUR POCKET?**

Money is used as a measure of value—it is necessary for all buying and selling. When you carry it in your pocket, even if you do not lose it, it is "out of circulation" and the business world is not able to use it until you spend it.

But if you deposit it in a bank you make money "easy" thus helping yourself and the community.

When you expect to use money soon the best way is to have a checking account.

But if you expect to wait several months before spending—then use the Savings Bank Plan.

TONIGHT

GO HEAL THE SICK

This Man Is Leading Sick People  
Back to Health.

His Fight Against Old Age, Weak-  
ness and Disease.

Ten years ago H. H. Von Schlick of  
305 Penna avenue, Pittsburgh, Pa., was  
unknown. Today millions of happy  
people bless and praise him as a bene-  
factor. They are grateful for new  
health and freedom from sickness and  
disease. Mr. Von Schlick is now in the  
winter of life. He has ruddy cheeks,  
bright sparkling eyes and the snap and  
vigor of youth. Twenty years ago he  
was down and out, physically. Then  
Von Schlick met Boris Marokoff, an old  
Bulgarian friend, who gave him a  
Herb Tea. Von Schlick recovered his  
health. He was a new man in mind  
and body. This Bulgarian Blood Tea  
was a great medicinal discovery for  
healing the sick. Von Schlick obtained  
the secret formula and process for mak-  
ing this Bulgarian Blood Tea. The  
roots, barks, leaves, herbs, berries and  
flowers grow in forests, fields, valleys  
and swamps and come from Europe,  
Asia and Africa. The wonderful power  
in this Herb Tea regenerates the sys-  
tem, cleanses and tones the blood,  
cleanses the liver, flushes and purifies  
the kidneys, sweetens the bowels and  
stomach and gives back the snap and  
vigor that only a healthy person can  
have. For years Von Schlick made this  
Tea and gave it to sick people. It  
helped every one. The fame of this  
medicine began to travel; people came  
to him for it and he gave it free—gave  
until it hurt. Mr. Von Schlick was a  
poor man and was unable to supply the  
general demand as the herbs were very  
costly, being imported from distant  
lands. Then people told him to make  
it for the whole world to use and to-  
day he believes he is doing more good  
for suffering humanity with Bulgarian  
Blood Tea than any other medicine in  
the world.

Bulgarian Blood Tea today is used  
the world over and praised by millions  
of sufferers fighting disease and ward-  
ing off old age weaknesses. They in-  
clude happy girls budding into woman-  
hood or women crossing precarious  
thresholds of life. All praise and re-  
commend it. Men regain their strength  
and vitality, the blood becomes rich and  
pure and the snap and sparkle of good  
health returns to those who were in  
despair. Just ask your druggist today  
for a trial package of Bulgarian Blood  
Tea and you will never regret the time  
you spent in reading this item.

What's become of the prejudice  
against automobiles because  
they frightened the horses

Now cars are every-  
where. The horses  
have gotten used to them—  
and so has everybody else.  
Think of it! This year the  
American people will spend  
nearly a billion dollars on  
tires alone.

Tires are one of the big-  
gest items on the car owner's  
bills.

Hardly a Saturday, when  
you motorists drop in to  
"tune up" for a Sunday trip,  
that one or more of you  
doesn't tell us something of  
value to our business. Sooner  
or later it comes back to you  
in Service.

Service is what the car  
owners of this community  
are looking for nowadays.

And especially the small  
car owners, who put service

first in figuring their motor-  
ing expenditures.

Just because a man has a  
moderate-price car is no  
reason why he should get any  
less service out of his tires.

We believe that the man  
with the small car is entitled  
to just as good tire service  
as the man with the big car  
—and both are entitled to the  
best tire service they can get.

That's why we represent  
U. S. Tires in this commu-  
nity.

And why more car owners  
—large and small—are com-  
ing to us every day for U. S.  
Tires.

Come in and talk to us  
about tires. We're here to  
help you get the kind of tires  
you want.

## SOCIETY

Mrs. Will A. Alexander entertained the member of the Happy-Go-Lucky club this afternoon with an informal social party at her home west of the city.

The regular business session of the Ladies Aid Society of the First United Presbyterian church was held yesterday afternoon at the home of Mrs. J. W. Waite in North Morgan street. No business of importance was transacted at this meeting.

Miss Brenda Kinsinger, daughter of Dr. and Mrs. J. B. Kinsinger, will be among the guests at a house-party given by Miss Florence Vandenberg at her home in Chicago the later part of this week. Miss Kinsinger left today for Chicago.

Cyril Caron and John K. Tompkins, both students of Purdue University, Lafayette, Ind., are giving a home-coming dance tonight in the Modern Appliance building in West Third street. The Purdue Novelty orchestra, featured with two pianos, will furnish the music.

Mrs. Albert Capp was hostess for the members of the Tuesday Afternoon Bridge club yesterday afternoon at her home south of the city. An extra table of cards was in session during the afternoon. At the close of the card playing dainty refreshments were served.

Invitations have been issued for an informal tea to be given at the home of Mrs. J. C. Sexton in North Main street, honoring Mrs. Marshall Cullen Sexton, Wednesday afternoon, June 23 during the hours of two to four o'clock and from four to six o'clock. Mrs. Sexton was formerly Miss Lela Kennedy of Indianapolis.

The Misses Barbara and Maud Schmidt of Newcastle, rendered a very delightful program before the Tuesday Study Club of Raleigh yesterday afternoon, when the club and invited guests were entertained at the home of Mrs. Dell Miles, one mile west of Raleigh.

The entertainment marked the closing meeting of the Study club for the year and was attended by eighty-one members and guests. The program given by the young artists consisted of readings, instrumental solos, each number being well received. The Schmidt Sisters need

no introduction as their former appearances before clubs in this city have proven that they are delightful entertainers.

The home was beautifully decorated for the occasion with summer flowers and ferns, the color scheme of green and white, the club colors, predominating. Guests were present from Newcastle, Lewisville, Bentonville, Spiceland and this city. Those attending the meeting from here were Mrs. Ed Chambers, Mrs. Fred Beale, Mrs. Winnie Dill and Mrs. Frank Smith and daughter Harriet.

Refreshments consisting of sherbet, punch and cake were served at the close of the afternoon.

The parlors of the St. Paul's M. E. church were prettily decorated yesterday afternoon with tall pedestals adorned with ferns, bouquets of roses, lilies and other cut flowers, when the Woman's Home Missionary Society celebrated their fortieth anniversary with a most enjoyable entertainment.

Seventy-five ladies attended the meeting and enjoyed the program consisting of talks, music and a playlet. The Queen Ester Circle of Glenwood proved themselves to be clever entertainers when they gave the playlet entitled "Queens and the Kingdom", which brought out the features that women of Methodism should be interested in home missions. Mrs. E. B. Poundstone delivered the birthday message and she pointed out the principal work the society has done during the last forty years. Her talk was exceedingly interesting and she brought out many important facts.

The musical program was unusually good. Miss Adelle McQuiston, the house guest of Mrs. Clint Bodine, favored the audience with a vocal solo, her beautiful voice and pleasing personality immediately winning the applause of the ladies. She was accompanied on the piano by Miss Dorothy Sparks. The Rev. and Mrs. C. S. Black also favored the audience with several vocal selections, which were also well received.

The twenty new members and three perpetual members added to the membership during the last year, were given as a birthday gift to the society.

At the close of the delightful program light refreshments consisting of punch and wafers were served.

Mrs. George Helm chaperoned a bathing party yesterday afternoon, honoring Miss Edith Samuel of Tennessee, the house guest of Mrs. Helm. Those composing the party were the Misses Samuel, Lillian Mullins, Helen Thomas and Martha Fanning.

The picnic which the Rebekahs were to have given Thursday evening at the Gun Club has been postponed until next Thursday evening and at that time it will be held at the City Park instead of at the Gun Club. The picnic was postponed on account of the K. of C. minstrel Thursday evening.

Mr. and Mrs. Toss Beher delightfully entertained with an informal party last evening at their home near Occident, a number of their friends. The hours were enjoyed with music and games and delicious refreshments were served at the close of the evening. The guests were Mr. and Mrs. Ed Berry, Mr. and Mrs. I. N. Stevens, Mr. and Mrs. T. H. Brown, Mr. and Mrs. B. M.

### Doctor Cupid

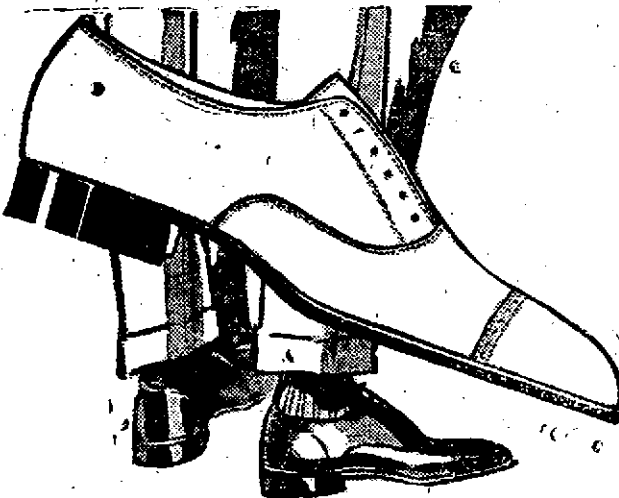

That love sometimes cures disease is a fact that has been called to the attention of the public by a prominent physician. Love is not, however, the cure for all women. Many a woman is nervous and irritable, feels dragged down and worn out for no reason that she can think of.

Doctor Pierce's Favorite Prescription gives new life and new strength to weak, worn-out, run-down women. "Favorite Prescription" makes weak women strong and sick women well. It is now sold by all druggists in the United States in tablets as well as liquid form.

KOKOMO, IND.—"Some time ago I felt 'draggy' and worn-out and greatly in need of a tonic. A friend suggested to me to try Dr. Pierce's Favorite Prescription. I had taken other tonics but I never took anything that helped me so quickly as the 'Favorite Prescription.' It was not an unpleasant medicine to take and my whole system seemed to be benefited." —Mrs. Flossie Coor, 2108 N. Market Street.

### Enlarged Picture Best.

If you want to get a large photograph of any object, take a small clean-cut picture and enlarge it. The result will be much better than when a large picture is taken directly by placing the camera close to the object.

### FAIRVIEW FARMERS MEET

The Farmers Federation of Fairview township, Fayette county, held a meeting last evening in the Fairview high school auditorium. Ralph Test, the county agent of Henry county, gave a splendid talk and also the Fayette county chairman of the organization, James K. Mason, made a talk. Following the business session those present enjoyed a social hour, during which several musical selections were given and refreshments were served.

# How Far Will A Franklin Go On A Pint Of Gasoline?

## ALL RECORDS BROKEN ON FRANKLIN GASOLINE CONTEST

Hal Green drove four and seven-tenths on one pint. Derby Green, four and five tenths.

Ladies — Mrs. Hugh Jones, four and seven-tenths. Miss Leah Oneal and Mrs. Nettie Glendenning are tied for second place with four and four-tenths miles.

Looks like it would be the county against the Green family. Some one must beat them.

This car will be in Rushville Friday and Saturday. We want you to have a trial.

All doubt of the Overland Four being entitled to the claim it makes was removed during the last week of April when demonstrations in ninety-seven cities throughout the United States produced a national average of 25.2 miles to the gallon of gasoline for the Overland Sedan with TRIPLEX SPRINGS.  
**This Economy Record**  
is all the more impressive because it represents tests in every section of the country under all sorts of conditions and over every class of roads, whether rough, smooth, hilly or level. In the south the average ranged from 27.7 to 29.5 miles. In Texas the test was made over city and country roads with windows open to a 25-mile wind. In the east the average for the various states ran from 26.4 to 18.9 miles. In the middle west the lowest average recorded was 19.8 and the highest 29.6 to the gallon. In the west the average was from 28.2 to 22.1 miles.

Mrs. Will C. Smith will entertain the members of the Social Dozen tomorrow afternoon at her home in North Main street.

Mr. and Mrs. E. Martindale of Metamora were the dinner guests of Mrs. J. P. Young Sunday at her home in Buena Vista avenue.

The Marion Social Circle will be entertained tomorrow afternoon at the home of Mrs. John Jordan in South Pearl street. The assisting hostess will be Mrs. John Kelley, Jr. All the members are cordially invited to attend this meeting.

Mrs. J. Frank Wilson of near New Salem gave a prettily appointed dinner Sunday in honor of her daughter Helen, who has just returned from Hanover College and her guest, Mablea Craft of Dayton, Ohio. Covers were laid for the Misses Sylvia Lakin and Merle Spacey, who has just returned from college and Richard McKinnis.

On Monday evening, June 14, several friends and neighbors delightfully surprised Mr. and Mrs. Alf Frye and family at their home in Sexton, the affair being in the form of a farewell party. After a social evening enjoyed with music on the piano and victrola, the guests enjoyed dainty refreshments of ice cream and cake. The guests were

# CLEARANCE SALE

STARTING WEDNESDAY, JUNE 16th ON

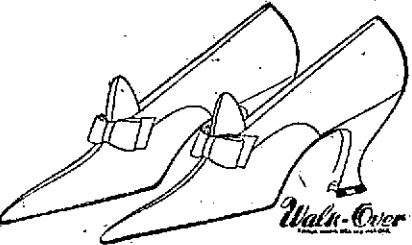

## Men's, Women's and Children's Foot-Wear

A large portion of our Spring orders arrived too late for our regular Spring trade. It was our desire to be fair with our factories and we did not cancel any of the late orders, as it was no fault of the factory that the shipments were late. These shoes and oxfords will now be offered to the people of Rush county at a great sacrifice. Never was the time more opportune than NOW to buy good shoes at a great reduction. Begin your economy by buying one or more pairs. We have bargains for everybody — Nothing Reserved.
